

(3) To pay salaries, wages, or employee benefits to medical or educational personnel;

(4) To pay for the salaries or administrative expenses of the applicant or the project;

(5) To purchase equipment that will be owned by the local exchange carrier or another telecommunications service provider unless that service provider is the applicant.

(6) To duplicate facilities providing distance learning or telemedicine services in place or to reimburse the applicant or others for costs incurred prior to RUS' receipt of the completed application;

(7) To pay costs of preparing the application package for financial assistance under this program;

(8) For projects whose sole objective is to provide links between teachers and students or between medical professionals who are located at the same facility;

(9) For site development and the destruction or alteration of buildings;

(10) For the purchase of land, buildings, or building construction;

(11) For projects located in areas covered by the Coastal Barrier Resources Act (16 U.S.C. 3501 *et seq.*);

(12) For any purpose that the Administrator has not specifically approved;

(13) Except for leases provided for in § 1703.121, to pay the cost of recurring or operating expenses for the project; or

(14) For any other purposes not specifically contained in § 1703.121.

(b) Except as otherwise provided in § 1703.112, grants shall not be used to finance a project, in part, when the success of the project is dependent upon the receipt of additional financial assistance under this subpart or is dependent upon the receipt of other financial assistance that is not assured.

§ 1703.124 Maximum and minimum grant amounts.

Applications for grants under this subpart will be subject to limitations on the proposed amount of grant funds. The Administrator will establish the maximum amount of a grant to be

made available to an individual recipient for each fiscal year under this subpart by publishing notice of the maximum amount in the FEDERAL REGISTER not sooner than 45 days before the period for accepting applications begins. The minimum amount of a grant is \$50,000.

§ 1703.125 Completed application.

The following items are required to be submitted to RUS in support of an application for grant funds:

(a) *An application for Federal Assistance.* A completed Standard Form 424.

(b) *An executive summary of the project.* The applicant must provide RUS with a general project overview that addresses the following 8 categories:

(1) A description of why the project is needed;

(2) An explanation of how the applicant will address the need cited in paragraph (b)(1) of this section, why the applicant requires financial assistance, the types of educational or medical services to be offered by the project, and the benefits to rural residents;

(3) A description of the applicant, documenting eligibility in accordance with § 1703.103;

(4) An explanation of the total project cost including a breakdown of the grant required and the source of matching contribution and other financial assistance for the remainder of the project;

(5) A statement specifying whether the project is either a distance learning or telemedicine facility as defined in § 1703.102. If the project provides both distance learning and telemedicine services, the applicant must identify the predominant use of the system;

(6) A general overview of the telecommunications system to be developed, including the types of equipment, technologies, and facilities used;

(7) A description of the participating hubs and end user sites and the number of rural residents that will be served by the project at each end user site; and

(8) A certification by the applicant that facilities constructed with grants do not duplicate adequate established telemedicine or distance learning services.

(9) A listing of the location of each end user site (city, town, village, borough, or rural areas) plus the State.

(c) *Scoring criteria documentation.* Each grant applicant must address and provide documentation on how it meets each of the scoring criteria contained in § 1703.126.

(d) *A scope of work.* The scope of work must include, at a minimum:

(1) The specific activities to be performed under the project;

(2) Who will carry out the activities;

(3) The time-frames for accomplishing the project objectives and activities; and

(4) A budget for all capital expenditures reflecting the line item costs for approved purposes for both the grant funds and other sources of funds for the project. Separately, the budget must specify any line item costs that are nonapproved purposes for grants as contained in § 1703.123.

(e) *Financial information and sustainability.* The applicant must provide a narrative description demonstrating: feasibility of the project, including having sufficient resources and expertise necessary to undertake and complete the project; and, how the project will be sustained following completion of the project.

(f) *A statement of experience.* The applicant must provide a written narrative (not exceeding three single spaced pages) describing its demonstrated capability and experience, if any, in operating an educational or health care endeavor and any project similar to the project. Experience in a similar project is desirable but not required.

(g) *Funding commitment from other sources.* The applicant must provide evidence, in form and substance satisfactory to RUS, that funding agreements have been obtained to ensure completion of the project. These agreements shall be sufficient to ensure:

(1) Payment of all proposed expenditures for the project;

(2) All required matching contribution in 1703.120;

(3) any additional matching funding provided in accordance with § 1703.126(b)(4); and

(4) Any other funds necessary to complete the project.

(h) *A telecommunications system plan.* A telecommunications system plan consisting of the following:

(1) The capabilities of the telecommunications terminal equipment, including a description of the specific equipment which will be used to deliver the proposed service. The applicant must document discussions with various technical sources which could include consultants, engineers, product vendors, or internal technical experts, provide detailed cost estimates for operating and maintaining the end user equipment and provide evidence that alternative equipment and technologies were evaluated.

(2) A listing of the proposed telecommunications terminal equipment, telecommunications transmission facilities, data terminal equipment, interactive video equipment, computer hardware and software systems, and components that process data for transmission via telecommunications, computer network components, communication satellite ground station equipment, or any other elements of the telecommunications system designed to further the purposes of this subpart, that the applicant intends to build or fund using RUS financial assistance.

(3) A description of the consultations with the appropriate telecommunications carriers (including other interchange carriers, cable television operators, enhanced service providers, providers of satellite services and telecommunications equipment manufacturers and distributors) and the anticipated role of such providers in the proposed telecommunications system.

(i) *Compliance with other Federal statutes.* The applicant must provide evidence of compliance with other Federal statutes and regulations including, but not limited to the following:

(1) E.O. 11246, Equal Employment Opportunity, as amended by E.O. 11375 and as supplemented by regulations contained in 41 CFR part 60;

(2) Architectural barriers;

(3) Flood hazard area precautions;

(4) Assistance and Real Property Acquisition Policies Act of 1970;

(5) Drug-Free Workplace Act of 1998 (41 U.S.C. 701);

(6) E.O.s 12549 and 12689, Debarment and Suspension;

(7) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).

(j) *Environmental impact and historic preservation.* (1) The applicant must provide details of the project's impact on the environment and historic preservation. Grants made under this part are subject to part 1794 of this chapter which contains RUS' policies and procedures for implementing a variety of Federal statutes, regulations, and executive orders generally pertaining to the protection of the quality of the human environment that are listed in 7 CFR 1794.1. The application shall contain a separate section entitled "Environmental Impact of the Project."

(2) The applicant may use the "Environmental Questionnaire," available from RUS, to assist in complying with the requirements of this section.

(k) *Evidence of legal authority and existence.* The applicant must provide evidence of its legal existence and authority to enter into a grant agreement with RUS and perform the activities proposed under the grant application.

(l) *Federal debt certification.* The applicant must provide a certification that it is not delinquent on any obligation owed to the government (7 CFR parts 3016 and 3019).

(m) *Consultation with USDA State Director, Rural Development.* The applicant must provide evidence that it has consulted with the USDA State Director, Rural Development, concerning the availability of other sources of funding available at the State or local level.

(n) *State strategic plan conformity.* The applicant must provide evidence from the USDA State Director, Rural Development, that the application conforms with the State strategic plan as prepared under section 381D of the Consolidated Farm and Rural Development Act (7 U.S.C. 1921 *et seq.*). The applicant should indicate if such a plan does not exist.

(o) *Supplemental information.* The applicant should provide any additional information it considers relevant to the project and likely to be helpful in determining the extent to which the project would further the purposes of the 1996 Act.

(p) *Additional information required by RUS.* The applicant must provide any additional information RUS may consider relevant to the application and necessary to adequately evaluate the application. RUS may request modifications or changes, including changes in the amount of financial assistance requested, in any proposal described in an application submitted under this subpart.

§ 1703.126 Criteria for scoring grant applications.

(a) *Criteria.* The criteria in this section will be used by RUS to score applications that have been determined to be in compliance with the requirements of this subpart. Applications for grants must meet the rurality requirements in paragraph (b)(2)(iv) of this section and address each of the following scoring criteria:

(1) The need for services and benefits derived from services (up to 55 points);

(2) The comparative rurality of the project service area (up to 45 points);

(3) The economic need of the applicant's service area as estimated by the NSLP or other supplemental objective criteria (up to 35 points);

(4) The ability of the applicant to leverage resources (up to 35 points);

(5) Innovativeness of the project (up to 15 points);

(6) The cost effectiveness of the system (up to 35 points);

(7) Project participation in EZ/ECs (Empowerment Zone and Enterprise Communities) and Champion Communities (up to 15 points).

(b) Scoring criteria:

(1) *The need for services and benefits derived from services—Up to 55 Points.* (i) This criterion will be used by RUS to score applications based on the documentation in support of the need for services, benefits derived from the services proposed by the project, and local community involvement in planning, implementing, and financial assistance of the project. Applicants may receive up to 45 points for documenting the need for services and benefits derived from service as explained in this section. Applicants with an average
